

Next Cloud: Sending Large emails

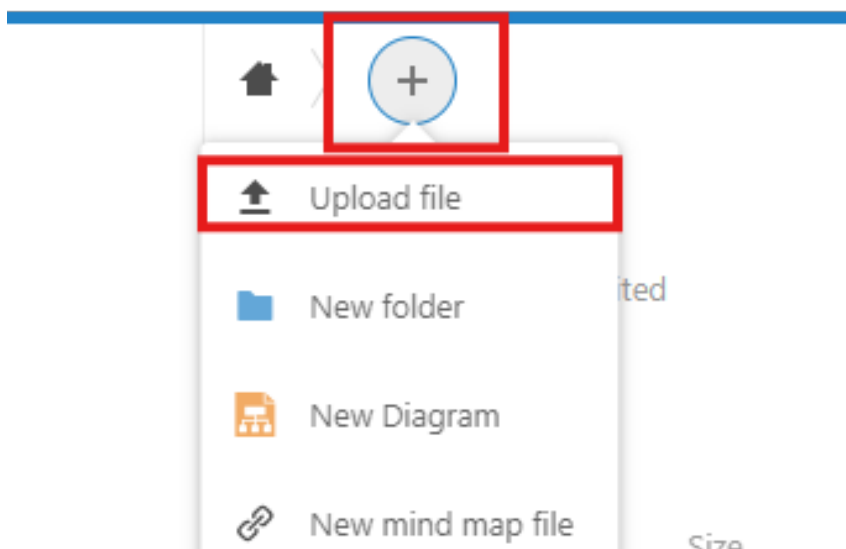

Quick guide for sending large emails.

1. Login to Next Cloud

<https://cloud.broadband9.com/index.php/login?clear=1> - Go to this link and login to your Next Cloud account

2. Upload a File/Folder

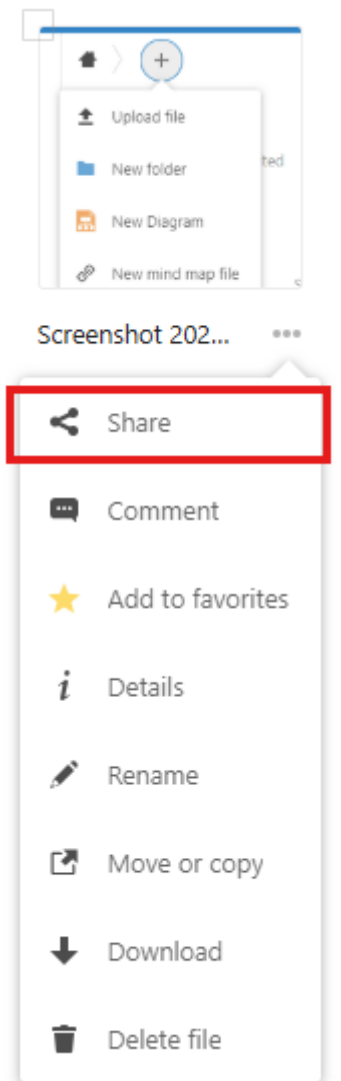

Once logged in, click the plus icon and choose what you want to upload.

3. Share File/Folder

Once it uploaded, go to **All files** and find the file/folder you have uploaded.

Next, click the **three dots** underneath it and click share.

4. Copy Share Link

A similar menu will appear on your screen. Find **Share link** and click the clipboard icon to copy the link of the file.
