Outlook: Send from another mailbox

This Quick article goes through enabling the "send from" options on your outlook to enable you to select a mailbox from which the email will be sent by.

---

1. Click "New Email"

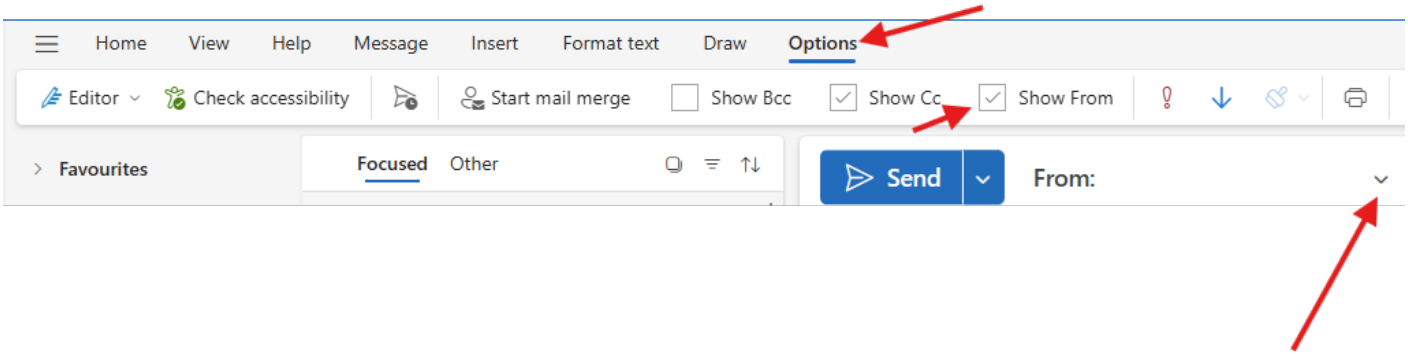

Click "New email".

---

2. Enable "Show From"

1. On the navigation bar, select "Options"
2. Make sure "Show from" is ticked
3. Click the Drop down menu and select the email address you want to send from.
